Why PAIRS TRAINING?

PAIRS, “Practical Application of Intimate Relationship Skills”

- An industry leader in relationship skills training for almost half a century.
- Innovative, evidence-based educational programs.
- Learn effective tools to teach clients to create and sustain mutually fulfilling, pleasurable worksite and family relationships.
- **U.S. Department of Veterans Affairs** deploying **PAIRS** to every Veterans health center by training 7500 health professionals and clergy.
- Greater than 99% of PAIRS Essentials graduates recommend the program for others.
